- 1) Most world titles won
- 2) Most triple crown events won
- 3) Most ranking events won
- 4) Most total professional tournaments won (ranking or invitational)
- 5) Highest world ranking

All UK Championship titles are to be classed as full ranking event wins, including those during its period as a non-ranking event (1977-1983):

2, Format of the event

All matches in qualifiers and up to the final in Scunthorpe will be best of 5 but if the match is 2-2 then the final frame is decided by a single black ball respot. The World Seniors Final will be best of 7 with a black ball to decide it if the match goes 3-3.

In the Final Stages in Scunthorpe a 30 second shot clock will be introduced with a player having two time outs in the match.

All matches will be played under standard WPBSA rules.

All venues can cater for disabled and wheelchair players and we welcome their participation.

3, AOB

The World Seniors Championships is being promoted and produced by Jason Francis at Snooker Legends in partnership with Stephen Hendry MBE. It is only open to Amateur players, no player currently holding a professional tour card is eligible to enter.

The Baths Hall is owned by North Lincolnshire Council and managed, on their behalf, by SMG Europe. Opened in November 2011 the venue's flexibility is its strength. With retractable seating, The Baths Hall can cater for 1,024 guests when in all seated mode or 1,800 with a standing floor and seated balcony. Situated in Scunthorpe, just five minutes from the M180 and 20 minutes from the M18, The Baths Hall is the region's newest and most exciting venue and perfect for hosting conferences and events.

A Launch Dinner will be held at the venue on March 21st – tickets will be available to buy to enjoy a great night with the legends.

1000 tickets are being put aside to use in the community to bring in school children, disabled groups and care homes from the local area.
